[11:19] <nich2440> La Noire is old thouygh
[11:19] <calebsteventrey> :P
[11:19] <me_ree> at least things are happening progressively when watching him play LA Noire, pubg usually just is a lot of nothing while he hides lol

[11:20] <calebsteventrey> i will get right on it
[11:20] <duderito2> he gets increased participation when playing PUBG so that was a motivating factor me_ree
[11:20] <thenewfaceofcreation> @me_ree phil did good tho. He won by doing nothing. That my friend is called skill
[11:20] <kozatof> @darksydephil hi
[11:20] <thenewfaceofcreation> :p
[11:20] <calebsteventrey> lul
[11:20] <theycallmejimbob> the famous pacifist run :D
[11:20] <wouldyoulikesomeballz> I'm hoping MGS 2 wins the poll but will be 3 most likely
[11:21] <blue_blur64> pokketLURK pokketLURK pokketLURK pokketLURK pokketLURK pokketLURK
[11:21] <me_ree> increased participation? sounds like a way of saying it's the most financially-rewarding game so Phil puts his personal feelings for the game to one side so he can milk it for all its worth. fair enough, gotta pay the bills, it's just boring to watch
[11:21] <ratchefan12> i love snake eater man its so epic
[11:21] <thenewfaceofcreation> @blue_blur64 hi dood. Whats up
[11:21] <thenewfaceofcreation> Hi @ratchefan12

[11:22] <blue_blur64> The first one, yes
[11:22] <me_ree> how lucky it'll only cost fans 2000 dollars to watch him play the same game he did years ago. lucky

[11:22] <bethelewd> phil hit the 1st tier

[11:22] <calebsteventrey> doods !
[11:22] <suckasurprise> yo guys
[11:22] <bethelewd> but not the 2nd tier
[11:22] <me_ree> almost as good a bargain as Salah was for Liverpool
[11:22] <nich2440> watching him play PUBG is boring to me but if it brings in views It makes sense that he keeps playing it.
[11:22] <thenewfaceofcreation> @BeTheLewd he wont hit the other one

[11:22] <theycallmejimbob> hey CalebStevenTrey and suckasurprise KonCha
[11:22] <blue_blur64> why so negative D:
[11:23] <steveeroodey> doods

[11:24] <thenewfaceofcreation> @blue_blur64 wau. No dspsad emote. Surprising
[11:24] <me_ree> probably the weirdest signing of the summer was Ox joining Liverpool
[11:24] <bethelewd> dspPepe
[11:24] <blue_blur64> I like using other emotes with other channels instead of the one I got them from, sharing the love
[11:24] <kozatof> @ratchefan12 can you mod me

[11:25] <me_ree> sounds legit #Kod4Mod
[11:25] <blue_blur64> Plus the pokket emotes are new to me, gotta spam them pokketLUL

[11:26] <kozatof> Yeah
[11:26] <me_ree> he'll clear the chat like what happened yesterday lol
[11:26] <thenewfaceofcreation> lkr
[11:27] <steveeroodey> many mods
[11:27] <calebsteventrey> why did he clear chat
[11:27] <ratchefan12> @TheNewFaceofCreation not much man i just been busy work has needed me a lot havent been out to a stream recently for the last few days
[11:27] <thenewfaceofcreation> @ratchefan12 last pre stream was just chaos
[11:27] <ratchefan12> @TheNewFaceofCreation yes many brownies made their way here
[11:28] <ratchefan12> @TheNewFaceofCreation i watched the vid on youtube
[11:28] <me_ree> let's not open that can of worms again lol
[11:28] <me_ree> end of the day, it's only circumstantial evidence that it's true
[11:28] <powerhourpodcast> dsp rules
[11:29] <ratchefan12> me ree dont worry im just saying i watched yesterdays prestream on youtube
[11:29] <thenewfaceofcreation> @Powerhourpodcast rules the salt factory indeed
[11:29] <ratchefan12> jelsea betrayed phil too
[11:29] <steveeroodey> save the house

[11:29] <kingofhypocrisy> Are detractors going to be referred to as brownies now?

[11:29] <powerhourpodcast> rules the video game factory

[11:29] <calebsteventrey> crazy

[11:29] <me_ree> i wouldn't call it a 'betrayal'. jelsea followed their own line of enquiry and believes an escort over Phil. that's the simple truth of it

[11:30] <powerhourpodcast> his great and he should block every detractor

[11:30] <thenewfaceofcreation> @KingOfHypocrisy the sons of brownies and brownies world order would be proud

[11:30] <ratchefan12> me ree well jelsea is dumb that escort isnt real

[11:30] <me_ree> the escort is absolutely real - the story, on the other hand, is up for debate.

[11:30] <calebsteventrey> is he coming on or drinking again

[11:30] <powerhourpodcast> honestly who cares what people think dsp should just do what he does best make content

[11:31] <steveeroodey> the escort is a troll just really good at baiting

[11:31] <kingofhypocrisy> @TheNewFaceofCreation Ah yes I forgot about them. Bred Buchs is their leader I presume

[11:31] <clubsoda69> what time does the stream begin today?

[11:31] <powerhourpodcast> sounds like the escort is just trying to get her name out thier

[11:31] <nich2440> escort missions are the worst anyway

[11:31] <theycallmejimbob> usually begins around now

[11:31] <thenewfaceofcreation> @KingOfHypocrisy he is thevlost brother of fred fucks dood

[11:31] <darkciders> I'm ready for some pubg craziness, woooo

[11:31] <thenewfaceofcreation> Lost

[11:31] <wouldyoulikesomeballz> come 12th January all the detractors are going to get shit on by this catfish

[11:31] <bethelewd> GOING BACK IN TIIIME

[11:31] <me_ree> that twitter handle pre-dates the creation of the first tihydp videos and they seem to be a legitimate escort. it does not mean their story is true but i believe they're who they say they are at least.

[11:31] <thatotaku> Hope the pre stream is good today

[11:32] <steveeroodey> why the 12th...

[11:32] <darksydephil> so you're super gullible then? lol

[11:32] <me_ree> who is super gullible, and why?

[11:32] <calebsteventrey> lul

[11:32] <powerhourpodcast> alot of gullible people gossip on the internet

[11:32] <kingofhypocrisy> Some one said there is videos of the escort sucking dicks so she's real but the story is probably bs imo

[11:32] <darksydephil> first off, escorts don't have public twitter accounts. because escorting is a DISCREET PROFESSION. as in, when you have one, you don't want the world to know, and you don't want the girl blabbing about it

[11:32] <clubsoda69> DSP is the only reason i watch TWITCH or YOUTUBE

[11:33] <darksydephil> how would you like that to be your dick in one of the videos?

[11:33] <wouldyoulikesomeballz> ^

[11:33] <leonaras> I doubt the chick is a catfish, but i also dont give the escort thing any weight. Theres another motive. Fuck knows what it is though.

[11:33] <theycallmejimbob> dspShock

[11:33] <calebsteventrey> are we gonna debate the escort thawng again all stream

[11:33] <kingofhypocrisy> @DarksydePhil No way dood, I don't want an std

[11:33] <critical_for_d4ys> hi phil. how are you doing ?

[11:33] <ornightz> these Escort allegations are continuing today as well huh ajsPalm

[11:33] <powerhourpodcast> @darksydephil seems like the person created the account and based it on a legit person

[11:33] <bethelewd> jim is shocked cause man u cant win 5-0 like chelsea :)

[11:33] <nich2440> God we just love beating a dead horse don't we

[11:33] <darksydephil> there were two "Escorts" who were catfishing everyone in my stream chat back when i used twitch in 2013/2014 and it turned out they were fake accounts, despite having all this evidence and history. people are just fucking stupid

[11:34] <calebsteventrey> omg

[11:34] <ratchefan12> @DarksydePhil hey phil sorry i havent made it out to a stream in the last few days work has needed me a lot recently

[11:34] <bennelicious> At least all the drama is more entertaining than the stream <3

[11:34] <theycallmejimbo> dspPepe don't talk to me BeTheLewd another horrendous match to watch

[11:34] <darksydephil> Powerhourpodcast : thats how catfishing works lol

[11:34] <nich2440> why are we still talking about the escort?

[11:34] <darksydephil> Nich2440 : because some people are dumb as rocks apparently

[11:34] <ratchefan12> caleb relax dude we are not doing this all stream

[11:34] <calebsteventrey> can we get to the game

[11:34] <calebsteventrey> good

[11:34] <nich2440> Yeah but you're also talking about it lol

[11:34] <ratchefan12> CALEB RELAX

[11:34] <critical_for_d4ys> @DarksydePhil you already explained to the idiots how wrong they are last stream. lets make this a positive stream :)

[11:34] <me_ree> it's a good shout actually caleb - let's get the gameplay going.

[11:34] <dukexjt> Phil you see the SWATting shooting in the news?

[11:34] <clubsoda69> cheer10 excited for stream today

[11:34] <kingofhypocrisy> I saw on kiwifarms the escort claimed she was in contact with pandalee so it's bs dood

[11:35] <b2gamer321> @DarksydePhil Do you eat white bread or do you eat one of those exotic breads?

[11:35] <duderito2> don't answer that question Phil it's another trick question about the escort :D

[11:35] <calebsteventrey> lul

[11:35] <wouldyoulikesomeballz> @b2gamer321 brown bread is exotic? cmonBruh

[11:35] <darksydephil> i dont even know wtf an exotic bread is lol!

[11:35] <me_ree> all I know is that I'm really surprised how subdued Phil's response has been to this. Usually he's be pulling the middle fingers out to this one person accusing him of all sorts and saying 'fuck you you stupid fuck' and stuff, he's really held back it's weird. Phil has every right to completely and publicly tear into this person for their slander and lies

[11:35] <bethelewd> yes

[11:36] <kingofhypocrisy> So what is Phil playing today for the marathon? Pubg?

[11:36] <b2gamer321> @WouldYouLikeSomeBallz I mean like pumpnickel and stuff

[11:36] <kozatof> @darksydephil you are a good friend my g

[11:36] <ornightz> It's a bait and switch tactic it's empty allegations but it'll keep persisting , best to just ignore it

[11:36] <nich2440> it's red lobster cheddar biscuits according to Michael Jones.

[11:36] <electrumguy> @DarksydePhil what video are you talking about?

[11:36] <kozatof> @darksydephil letâ€™s go to Vegas and get some whores my man

[11:36] <me_ree> even vidar wants police involvement

[11:36] <ratchefan12> me ree phil just wants to make content simple he just wants to have fun streaming

[11:36] <powerhourpodcast> @darksydephil people just like to start shit ive been watching you since 2009 and i have to come out and defend you this bullshit is out of control keep doing you thing phil

[11:36] <calebsteventrey> lol

[11:36] <leonas> @me_ree you need to be more subtle dood D:

[11:37] <wouldyoulikesomeballz> @kozatof LUL

[11:37] <me_ree> @ratchefan12 do you remember AlphaOmegaSin? Look how Phil responded to that. This is WAY bigger than that

[11:37] <ratchefan12> me ree thats true

[11:37] <calebsteventrey> hows the gf

[11:38] <darksydephil> me_ree enough, stop talking about it bc i dont care and im not going to have the entire discussion around it

[11:38] <me_ree> my point is that I'm surprised at the reaction, is all, the lies and slander keep happening from this one source and Phil is just letting it happen, really

[11:38] <calebsteventrey> is she gonna be there for new years

[11:38] <me_ree> ok then cool

[11:38] <kingofhypocrisy> wow dood

[11:38] <theycallmejimbob> dspShock

[11:38] <kozatof> Wooooow

[11:38] <nich2440> can we just start the stream?

[11:38] <calebsteventrey> dood !

[11:38] <powerhourpodcast> @darksydephil when i see other YouTubers that i once respected start attacking you, and you have never even said a word about then thats when i know that this has gone to far

[11:38] <bos2161> SnowRip

[11:38] <gautyer> I was just starting reading dood

[11:38] <firedrake82> phil you realize if escort services were that discrete you would not find them on the normal internet right? you would have to go to the dark/deep web where drugs and hitmen and guns and anything else illegal are obtainable

[11:38] <me_ree> who wiped the chat lol i wasn't done reading

[11:38] <thenewfaceofcreation> Not again

[11:38] <thenewfaceofcreation> Lol

[11:38] <ratchefan12> sorry guys had to

[11:38] <calebsteventrey> lulz

[11:38] <electrumguy> Why was DSP watching the videos offered by the escort? I don't get it.

[11:40] <powerhourpodcast> @darksydephil you are youtube gaming original and they should be respecting you

[11:40] <me_ree> no they weren't

[11:40] <markmccauley> What the Hell's this music?

[11:40] <theycallmejimbob> fan made remixes

[14:48] <guccithejacuzzi> cheer50 I didn't mean to be harsh Phil. But you don't need to do everything yourself, I'm sure people will do those overlays for you asking for nothing in return, myself included. And trust me, it looks like a hassle but you can even put up stuff like that on the most basic of tools like MS Paint.

[14:48] <yuhikyaku> phil titty stream time
[14:48] <idatedecadesyounger> @Facehat1234 , yeah, he has made it pretty clear he'd rather not make a change just for "quality" because that isn't what this is about

[17:12] <electrumguy> depends which goal he hits.
[17:13] <thatanonyraccoon> @HodorTarg yes, if he's only doing one MGS game, he has a week or two to run a poll to pick it
[17:13] <hobbs1017> out of all the recent big donations I feel vidar is the only one who actually cares the most bout supporting dsp.... not to start shit but when ppl donate all this \$\$\$ in big sperate donations for multiple shout outs they want attention more then help phil
[17:13] <nik0lai95> why would the poll take so much time
[17:13] <royalfan> what time is phil going live again
[17:13] <hobbs1017> no reason for golden colts to do 50 cheers a stream and that other dude could have sent the 400 in one cheer or to patreon.... just my 2 cents
[17:14] <thatanonyraccoon> @Nik0lai95 the poll is only for patrons on his forum, so he has o have time to activate their accounts for access to the Patron forum
[17:15] <nik0lai95> i see, don't you have to be a patreaon to get in on the forums though?
